March 2018 Newsletter

EVERY VOTE COUNTS

Town meeting is fast approaching (Tuesday March 6th) and WE NEED YOU to get out and vote. The Castleton Community Center relies heavily on the support it receives from the Towns of Castleton, Fair Haven and Hubbardton. These funds are essential to providing transportation and meals for seniors and the disabled and they help maintain the Center's programs and services for the community. Last year we provided over 1,200 meals to seniors from Castleton, Fair Haven, and Hubbardton. In addition, the Community Center bus provided over 3,200 rides for doctor's appointments, senior meals, nursing home visits, therapy, wellness classes and essential food shopping, allowing seniors to remain independent and reduce isolation.

Many other programs and services at the Center provide educational and social opportunities for seniors and other members of the community. Families and children in the area benefit greatly from our SCAMP program that offers a stimulating and educational four week summer camp program for 6-10 year olds. Life-long learning opportunities as well as health and fitness programs improve the quality of life for residents of our community.

PLEASE REMEMBER TO SUPPORT THE CASTLETON COMMUNITY CENTER WITH YOUR VOTE ON TUESDAY, MARCH 6th! If you need a ride to the polls call The Center at 468-3093.

HAPPY 20TH ANNIVERSARY CASTLETON COMMUNITY SENIORS

Twenty years ago a group of seniors, led by Dr. Holman Jordan and Nancy Doran, saw the need for a senior center in the western Rutland County area. They began meeting in the basement of St. John's Church in Castleton and then, through the generosity of the Alma Gibbs Donchian Foundation, were able to establish a permanent home at the Old Homestead on Main Street.

Both our senior meal program and our Elderly and Disabled Transportation program were initiated in 1998. Today we serve over 1,200 meals in our dining room and, with the assistance of Castleton University volunteers, act as the distribution center for 4000+ home delivered meals. Over 3,200 rides are given annually for essential travel to doctor's appointments, physical therapy, adult day care, senior meals and essential food shopping for older adults in western Rutland County.

Our Wellness Program was launched in 2004 and expanded in 2009 with the renovation of our barn into a multi-purpose Wellness Center. Today we have 10 fitness classes for older adults to choose from each week.

The vision of our founding members is a true reflection who we are today:

The Castleton Community Center should be a caring, giving place for young and old alike. It should be a place where people can go to learn, feel better about themselves and others, have fun, spend an evening, an afternoon or morning. It should be a place to meet friends and make new friends; a place to share and enjoy with others; a place to escape isolation and winter blues. It should be a place where there is always something happening and usually more than one thing at a time. It is a lively, active, joyful place. It is a place where you and your family can do things that you might not be able to do in your own homes. It should be a place to celebrate life and living —with others.

From grassroots to full-fledged 501c3 with over 500 members, we have much to celebrate. Please join us as we reflect on 20 years of “Seniors Serving the Community” at our Open House on Friday April 6, 2018.

Mindfulness Message

A recent study shows that mindfulness practices such as this may be responsible not only for structural changes in the brain, but also for extending our life.

From the “Little Book of Mindfulness: 10 Minutes a Day to Less Stress, More Peace” by Dr. Patrizia Collard. Mindfulness is being aware of or bringing attention to this moment in time, deliberately and without judging the experience.

Take 5 minutes ... Awakening your Breath

This exercise helps us to breathe more fully, and strengthens and awakens us to face the day ahead with confidence and calm. Standing or sitting in a chair, arms at your side palms facing forward. Inhale and sweep your arms up over your head until the palms meet. Exhale slowly and lower the arms back down. Repeat 3-5 times.

Winter Transportation Alert

During the winter months, listen to the radio for school closings. If the Castleton Schools are closed due to weather, the Community Center van will not be operating. If it is necessary to close the Center, the local radio stations will be called and asked to add the Center to their list of cancellations.

Dues for 2018 are now due
